

From pre-page

Exact number of permanent houses under construction for tribals is not available in the Revenue Section. The information given at para 6/n is the number of houses under construction in Nicobar District which is inhabited by tribals and tribal area of Little Andaman. Hence we may request the Director (Tribal Welfare) to collect the said details from the Deputy Commissioners, alongwith the number of tribal families provided with temporary shelters to answer part (b) of the question.
