

A & N Administration
Directorate of Tribal Welfare
Secretariat.

Sl. NO. - 2 (R) P. 25-26/c

① The PUC is a letter from the Director (Shipping) addressed to the Secretary, (Shipping) A & N Admn. with a copy to Secretary (TW), A & N Admn. and ESAAJVS. The Director, (Shipping) has requested us for submission of Additional requirement of Vapels to be included in the 15th Five Year Tribal Sub Plan along with justification.

② As for the minutes of the TSP meeting held on 7-2-97, it was decided to make necessary provision under Sector - 'Shipping' for the 15th Five Year Plan TSP for providing Stevedoring facilities for in other Islands which may include Chowra, Terressa, Kondul and Pillomillon. The minutes of TSP meeting held on 7-2-97 may kindly be seen at Page 27-33/c.

③ Under Sector 'Port and Harbour', a number of small jetties at various places like southern side of Chowra, alternative jetty at Terressa, Bambooka, Telangchang, Monak, Trinnet, Pillomillon, Pillopanya, Makechua, Chungam Basti and mini jetties in minuk, Lexi, Upper Katchal, West bay Katchal, Ponda Derring, Pilpillon, Tapong, Pillobhabi, Kopenheat and Thinglai, have been proposed for the 15th Five Year Plan. The Tribal people residing in those areas will be facing difficulties to come over to the jetties available at Chowra, Katchal, Terressa & Pillomillon. Therefore, it is proposed that Stevedoring facilities may be created in these Islands to facilitate the Tribal people to embark and disembark at anchorage from ships safely with their bag and baggage during the 15th Five Year Plan. 4 (Four) nos Mooring Boats having a capacity of 50 (fifty) Passengers and space for keeping ~~this~~ luggage etc. may be provided/placed at those Islands.

④ This is submitted for approval please.
