

- (b) To increase the duration of power supply in the primitive tribal settlements at Strait Island and Dugong Creek.

10. **EDUCATION :-**

- (a) A scheme for the codification of Nicobaree grammar and preparation of Nicobaree Dictionary.
- (b) Scheme for preparation of Primer for Onges, Andamanese and Shompens and preparation of suitable text books for Onges, Andamanese and Shompen.
- (c) Appointment of specially selected / voluntary teachers and linguists for Onge, Andamanese and Shompen settlements (may be on contractual basis with additional incentives).

11. **CIVIL SUPPLIES :-**

Civil Supplies Complex in all inhabited islands as suggested by DC Nicobars.

12. **HEALTH :-**

Keeping in view the present availability of services of Medical Officer to the primitive tribes settlements, a proper scheme could be included for the effective health delivery of primitive tribes which may include the requisite Medical personnels for Onges Andamanese and Shompens. Medical personnel required for the Sub Centre at South Bay Onge Settlement at Little Andaman be provided in Plan.
