Dear

83374  
As you may kindly re-collect, I had spoken to you about the comments to be furnished to the Ministry of Home Affairs on the points raised in their signal No. 13015/17/82-ANL dated 19.8.1982 relating to construction of Andaman Trunk Road beyond 87 K.M., a copy of which was forwarded to you vide Sectt: letter No.1-324/82-TW dated 24th August, 1982 while we were at Delhi. If I remember correctly, you had told me that a reply is under issue. However, no reply has been received so far in the Secretariat and a further reminder from the Home Ministry has since been received asking us to furnish information without delay.

I shall therefore, be grateful if you will kindly furnish the requisite information immediately.

With regards,

Yours sincerely,

(L. Mewa Iall)
