With a view to simplification of procedures and improvement in efficiency review of various periodical reports and returns, prescribed by this Division for submission, has been undertaken.

As a result, It is felt that the following two quarterly reports and returns need not be submitted separately:-

1. Quarterly report relating to defence and development.

2. Quarterly report in respect of progress of work in Andaman Trunk Road and contacts with Jarawa tribes.

The second report should be merged into first one and one consolidated report in respect of defence and development works, including Andaman Trunk Road, should be submitted on the existing pattern.
