SENNO. 81 - P. 146/c

- The quarterly progress report on resumption of construction of Andaman Trunk Road passing through Jarawa area is required to be furnished to the GOI. The progress report for the quarter ending June, 84 is already due to the GOI. In this connection it is stated that construction of A.T.R. was undertaken by the AFWD, but subsequently, construction work has been entrusted to the project Yatrik.
