

PROFORMA - BDETAILS OF SCHEME

DEPARTMENT : DIRECTORATE OF INDUSTRIES

SECTOR : VILLAGE & SMALL INDUSTRIES

1. NAME OF THE SCHEME : Strengthening of Industries

2. OBJECTIVE

This scheme envisages strengthening of the Industries Department for effective implementation, co-ordination, monitoring of various schemes/ works by creating additional staffs/ construction/ renovation/repair of office building, residential accommodation and purchases of updated modern office equipment.

The entire A&N Island is declared as industrially backward and attracts various incentives both under central as well as state sector. For the last few years the Islands have experienced vast changes and the industrialization has gained considerable momentum. But the pace of industrialization in Nicobar District is considerably low. The department in order to give a boost has also launched various new incentive oriented schemes. It is targeted that 50 industrial units is set up in the Tribal belt of the UT in the next Five Year Plan.

To achieve the said targets in the next five year, and to implement various schemes of Adm. as well as GOI and other development agencies, the department requires strengthening with additional technical staffs.

In order to provide the benefits schemes being implemented by the Department/ Admn/ GOI and other developmental agencies it is essential that an Office of the Assistant Director to be posted there at Car Nicobar to monitor the activities of the department.
