DETAILS OF SCHEME UNDER SCA

**DEPARTMENT** : **INDUSTRIES**  
**SECTOR** : **VILLAGE & SMALL INDUSTRIES**

**1. NAME OF THE SCHEME :** Distribution of Spares of Bullock carts/ cycles/ improved tools/ copra processing equipment / palm climbing device/ Motorised Spinning Ratts etc. to Nicobari Tribals on 50% subsidy.

**2. OBJECTIVE :**

The Bicycle and the Bullock Cart are the major means of transport of the tribals for transportation of their farm products from one place to another. It is often seen that the Bicycles and bullock carts are laying idle for want of good quality spares at reasonable prices in the far flung islands. Hence it is proposed to distribute spares of bullock carts and cycle spares. The Tribals are good cars person they could not exploit their ability their full capacity due to inadequate quality tools. Hence it is proposed to distribute improved tools on Coconut & Arecanut. In order to hervest the the produce without much strain it is proposed to distribute plam climbing device . The assets distributed to the tribal on 50% subsidy at the landing cost in the island. It is proposed to assist to 25-30 entrepreneurs every year during the Ninth Plan Period . Special efforts will be made to ensure participation of Tribale enterpronurs in the programme and also primitive tribs of the territory such as Onges, Andamanies, Sompane etc. It is also proposed to distribute motorised spinning ratts as per the recommandation C-DOCT.
