

schemes/projects in the tribal areas of A&N I under TSP/SCA. It is felt that without such coordination it may not be possible to implement tribal welfare schemes through various directorates/departments in a smooth and synchronised manner so as to accrue maximum possible benefit to tribals.

9.2.6

General

A separate monitoring-cum-supervision committee at a reasonably higher level should be constituted in to monitor and guide the entire implementation on periodical basis. This committee may also keep watch on repair and upkeep of the infrastructure facilities already developed in the tribal settlement areas.
