Secretariat.

Sub:- Formulation of TSP for the 9th Five Year Plan period 1997- 2002 and Annual TSP-  
1997-98:- reg-

Sir,

This has a reference to your letter No. 1-322/96-TW dated 22/01/97 on the subject cited above. In this connection I am to forward herewith five copies of Draft Ninth Five Year Tribal Sub Plan 1997-2002 and Annual Tribal Sub Plan 1997-98 for further necessary action.

While formulating the Draft Tribal Sub-Plan for 9th FYP 1997-2002 and Annual Tribal Sub Plan 1997-98 the department have considered the recommendation made by ANCON. For manufacture of Coir rope, the department have a proposal under Scheme No.7 of the Draft Plan programme for manufacture of coir fiber, coir products, rubber and cane at katchal island in addition to a coir fiber and coir products manufacturing already functioning at Car Nicobar Island.

For manufacturing of broomstick it is felt that instead of setting up of a production center by Department, small units could be prompted in Household sector, more particularly in the KVIB sector. The products will be marketed through the C.I. Emporium at Car Nicobar and Port Blair under Scheme No-2.

For production of coconut oil, it is felt that no specific scheme is required to be formulated, since the A & N KVIB supplies oil gunnies at subsidised cost to the interested beneficiaries under KVIB Sector, under formulated scheme.

However, it is felt that for taking up this venture, immense motivation is required and the Dept. have formulated a scheme for conducting EDP's and motivational campaign (Scheme No.3) by which it is targeted to motivate the tribals to take up the gainful venture for the upliftment of the Tribals.

Yours faithfully

(F.O. Hashmi)  
Director of Industries.
