

126

As desired by the Hon'ble Lt. Governor, the status of the non-utilised buildings of various departments has been analysed at page 16 - 17/N. It would be seen that only 11 departments have non-utilised buildings and every department has stated that the non-utilised buildings would be needed for their own requirements after the same are repaired. The total buildings of the 11 departments comes out to 155 Nos. Buildings are not being utilized because of their dilapidated conditions.
