- (vii) A semi curve metal arch to be fixed on the entrance of the building for placing the name board.
- (viii) Bush clearance in the campus.

While the work at S.No. (vi & vii) may require preparation of new estimates for execution, other works are minor in nature and can be/needs to be attended immediately.

You are, therefore, requested to kindly look into the matter and carry out the above mentioned repair/renovation work immediately.

Yours faithfully,
