(2)

The provision of SC & ST (Provision
of Am. White) Act 1951 & Rules
framed thereunder may be studied
in the first instance & definitely
on the provision & the circumstances
prevailing in A.N. Islands. Thereafter
we would decide about formulating
any scheme. Perhaps it would be
advisable to include the requirement
with in any one of the existing scheme
of Govt. or by formulating a new
scheme within the budget of UT.
As such draft letter need not be
forwarded to DC as proposed.
