Sub: Role of State Govt for effective functioning of National Minorities Development & Finance Corporation.

Sir,  
In the meeting held by Secretary, NCM with the Managing Director, National Minorities Development & Finance Corporation (NMDFC), various aspects of the functioning including the problems faced by NMDFC were discussed. These issues were subsequently discussed in the Commission's meeting held on 10.8.99. After due deliberations and careful consideration of all the aspects and with a view to further improve functioning of the NMDFC, the Commission has made the following specific Recommendations in addition to the Recommendations already made earlier from time to time:

- 1) the State Govts should fully pay their equity contributions to NMDFC;  
the State Govts should pay their 10% matching contribution share for the loans sanctioned by the NMDFC for individual projects, well within time;
- 3) the State Govts should provide adequate and timely guarantees for the loans sanctioned by NMDFC. In case of UTs, such a guarantee should be provided by the M/o S.J. & E. itself.

The above recommendations of the NCM have been made under section 9(1)(c) of the NCM Act, 1992. As per section 9(3) of the said Act, it is mandatory for the State Govts to place the recommendations alongwith an Action Taken Memorandum on them before the State Legislature. It is requested that immediate necessary action may kindly be taken by the State Govts on the recommendations in accordance with the provisions of the NCM Act, 1992.

Yours faithfully,

(HASIB AHMAD)

DEPUTY SECRETARY TO GOVT. OF INDIA
