Dated Faridabad :

Dear Sir,

As you are aware, the Government of India, Ministry of Social Justice & Empowerment have set up the National Handicapped Finance & Development Corporation to provide financial assistance in the form of loan to persons with disabilities for their economic rehabilitation.

The Corporation would provide loan to the disabled for self-employment ventures through the State Channelising Agencies nominated by the respective State Governments. The nominated Channelising Agency will receive and appraise the application for loan from the disabled persons. The same will be forwarded to the NHFDC for approval and release of loan. An application format for this purpose is enclosed which may kindly be used for making available to the eligible applicants.

State Governments have already been requested to nominate the State Channelising Agencies for their States. So far, we have not received the nomination from your side.

You are requested to kindly expedite the nomination of the State Channelising Agency for your State immediately. We have been receiving inquiries from disabled persons of your state and are unable to provide proper guidance in absence of a Channelising Agency for your State. We would like to finalise as many self-employment ventures in this financial year as possible. Hence your prompt response will be highly appreciated. Guidelines for funding of projects under various schemes have been prepared (copy enclosed).

With regards and best wishes,

Yours sincerely,

H.C. Mahajan
