Manjari Kacker, I.R.S.
Chief Vigilance Officer

Dear Sir,

Sub : Verification of claims of Scheduled Tribe (ST) Employees working in Air India.

Air India has received letter dated 26.12.05 from All India Scheduled Tribe Employees welfare Association, Salem to verify the community certificates and claim of Scheduled Tribe of 28 candidates who are employed in Air India at Chennai.

The initial investigation carried out by Air India - Vigilance, in respect of four employees, revealed that their claim as Scheduled Tribe can not be proved beyond doubt. Hence it is requested that the claims of all the 28 candidates referred by this Association may be re-verified.

In this connection we are forwarding copy of 01 caste certificate issued by the competent authority which has been produced by concerned employee in our organization in support of his claim as member of Scheduled Tribe.

You are therefore requested to direct the concerned Collector / District Magistrate / Dy. Commissioner to verify the documents produced by the candidates in support of his claim on the basis of which the caste certificate is issued to him and inform the outcome to this office at earliest.

With regards

Yours sincerely
M. Kacker
