

185

(Since the vacancies of AE(Civil) proposed to be filled up by the DPC are vacancies arising in A & N Administration and not in Central Government, and by and large it has been the practice here that the reserved posts in all such vacancies are exclusively for the STs of these islands, it appears safe to proceed to fill up the reserved vacancy with the senior-most eligible candidate from the Scheduled Tribes notified for A & N Administration through the Presidential order of 1959.
