

However, a question may arise whether the concerned Appointing Authorities shall calculate the share of entitlement of the OBCs on the basis of the existing strength in a cadre/post or they shall calculate the share of entitlement of the OBCs in respect of the post that are created or fall vacant from the date of effect of the reservation i.e, 16/12/2005, date of notification of OBCs. Kindly confirm.

Similarly kindly advice if under the existing instructions on the subject is it permissible to give reservation upto 38% to OBC subject to overall reservation permissible upto 50% of all categories as recommended by OBC Commission for this UT.

Yours faithfully,

Encl: A/A

G.C. Joshi
(G.C. Joshi)
