S. No. 1 (R) Page 1/C & 2 (R) Page 2/C

(1) PUC-I is a meeting notice dated 6th September 2006 of Secretary (TW) addressed to the Director of Fisheries and Principal, Dr. BR Ambedkar Polytechnic and copy to the Director(TW) regarding inspection of rosters on reservation of STs and OBCs. On the bottom of the PUC the minutes recorded by the Secy(TW) are reproduced below:

(2) " This meeting was attended by Shri Sheriff, SI and Mrs. Jameela, SA. They may be asked to ensure that now above two departments have completed the rosters".

(3) The meeting was held in the chamber of Secretary(TW) on 7.9.06 and attended by the above mentioned two officials. After the meeting, the Govt. Polytechnic has submitted the roster on reservation of STs and found that it was maintained as per the instructions of GOI. After checking the roster the same has been taken back by the Polytechnic. As regards the Fisheries department, the roster on reservation of STs maintained by the department was not as per the instructions of GOI, as such the department was asked to complete the roster as per the guidelines of GOI. The same is still awaited from the Fisheries department.

(4) PUC - II is a note dated 30.10.2006 of Secretary(TW) regarding sending the file concerned from which the Directorate is monitoring recruitment of OBCs by different departments of A&N Admn by calling monthly returns as in the case of STs. In this connection it is to mention that monitoring of recruitment of STs is being done by calling monthly returns from the various departments in the concerned file No.9-16/2006-TW. But similar monitoring has so far not been done in the case of OBCs as the clarification/advice sought for from the Ministry of Home Affairs is still awaited. However, if approved, we may request all the HODs/HOOs to submit the monthly return in the case of recruitment of OBCs too for monitoring as desired by the Secretary(TW).

(5) The prescribed format, duly approved by the Secretary(TW) in the case of recruitment of ST candidates, sent to all the HODs (Page 3/C) may be prescribed for monitoring of OBCs too.

(6) Subject to approval, a new file for the same has been opened and a draft in this regard is placed in file for approval please.

Submitted for kind perusal and approval.
