RECORD OF PROCEEDINGS

In the beginning of the hearing, Shri S.K. Srivastava, Member-Secretary, RCI & Dy. Chief Commissioner informed all the respondents that Shri S.K. Rungta, General Secretary, National Federation of the Blind filed a complaint under Section 59 of the Persons with Disabilities Act, 1995 against the various Ministries/Departments praying for (i) call for the records/vacancies based roster maintained by the respondents in terms of the directions of Hon'ble Apex Court as contained in the said judgment, examine the same and direct the respondent Departments to rectify the number of backlog vacancies against the reservation for persons suffering from blindness and low vision and filled up the same as a part of separate recruitment drive in terms of direction of Hon'ble Supreme Court of India. While the Department of personnel & Training is monitoring the progress for filling up of vacancies reserved for Persons with Disabilities in association with the Department of Empowerment of persons with Disabilities and CCPD, NFD has pointed out that the issue relating to number of backlog vacancies meant for persons with blindness and low vision cannot be verified unless the reservation rosters for Persons with disabilities of the concerned Ministries/Departments are perused. Though Mr. Rungta asked information relating to backlog vacancies notified for persons with visual impairment (blindness or low vision), yet we had asked information from the 33 Ministries/Departments for forwarding a copy of reservation roster on the basis of which the number of backlog vacancies meant for three categories viz. persons with visual impairment, hearing impairment and locomotor disability (VH, HH & OH) were calculated for conducting special recruitment drive as reported to
