5. In reply to the submissions of the complainant, the representatives of the Ministry of Defence and Department of Defence Production submitted that they are filling up the vacancies on the basis of Reservation Rosters. The Departments under the Ministry are too large. There are several PSUs/Units under them situated at different part of the country. The data as was received/collected from them, was forwarded to the DoP&T. On the query of low percentage of VH category, they stated that before giving their reply to the query, they will have to examine first whether the posts of VH for their percentage quota were already filled and now less number of vacancies filled have been shown.
