

Perused the proposal submitted in response to the email dated 31.3.2016 of Statistical Officer (Planning), MHA, Govt of India regarding submission of Data relating to the status of recruitment of OBCs in Central Govt Ministries/ Departments and their attached and subordinate officers as on 1.1.2016.

As per Para 63/n, this Directorate has received reports from all the Departments, except from the Directorate of Education. Further, the reports of other departments received are in-complete, as they have failed to furnish the data in the requisite Format-IV. Due to such discrepancies, this Directorate is unable to furnish the consolidated information to the MHA.

In view of the above, it is proposed that a meeting under the Chairmanship of Secretary (TW) may be convened with the appointing authorities, so that the said issue may be resolved completely, otherwise with such poor response, this office will not able to finalize the report ever, failing which, reminders from the MHA will be continued.

If approved, kind convenience of Secretary (TW) may be solicited.
