Director (Social Welfare)

Implementation of SCLT (Preparation of Atorathi)
Rites - 1995 are in dem by SCLT welfare
departments. In these islands, there is no

declared scheduled caste and there is a
separate Directorate for Tribal welfare

to safeguard the interest the Tribals.
Therefore, it would be more ideal

to have, the Directorate of Tribal welfare
as the nodal agency for monitoring the
implementation of the said act and for

that Director, Tribal welfare Dept may
be designated as Member Secretary,
instead of Director Social welfare.

AC (A) may kindly see for order.
