PUC is received from the Research Officer (PCR), Ministry of Social Justice and empowerment with reference to our letter No. 5-58/97-YW (PF)/1095 dated 01/10/2004, and No. 5-58/99-TW/393 dated 18/06/2004 regarding Annual Report on the working of the SCs & STs (Prevention of Atrocities) Act, 1989 for the calendar year ended 03/12/2003. As per the report the pending cases with Police and Court at the end of the year 2002 were shown as Nil cases and one case respectively whereas the number of cases brought forward during the year 2003 with Police and Court were shown as Nil and Nil respectively which doesn't tally. It is happened due to typographical error. If approved, we may revise the statement and sent to the Ministry of Social Justice & Empowerment.
