

There appears to be no objection to nominating the Director (TW) as Member-Secretary of the Committee. However, Director (SW) may be nominated as a Member of the Committee. If approved the D.C. Andamans may be informed accordingly.

Director (TW)

I don't think it is provided
in any rule that Director
social welfare or Dir (TW) (122)
are to be nominated as
Member Secretary.

The Member Secretary
already appointed by the
Chairman may continue.
This is only vigilance
Committee and Dir (TW) is already
a member.
