The provision of SC & ST (Prevention
of Atrocities) Act 1989 & Rules
framed thereunder may be studied
in the first instance & dependency
on the provision & the circumstances
prevailing in Andh Pradesh. Thereafter
we would decide about formulating
any scheme. Perhaps it would be
advisable to include the requirement
either in any one of the existing scheme
of Govt or by formulating a new
scheme within the budget of UT.

As such draft letter need not be
forwarded to DCS as proposed.
