Repair the footbridge over the Galathea River and a footpath upto 19km on EWR.</li> <li>4. Undertake construction of eco-hut type easy to maintain outpost facility in the segment at 16km.</li> <li>5. Consider connectivity of west coast through alternative Coastal Road (foot path across Galathea Bay).</li> </ol>
2.	Item No. 38 Review of the Jarawa Policy	<p>In reference to the minutes of the meeting of 'Expert Committee' constituted by Ministry of Tribal Affairs, Govt. of India held on 2.2.2012 for preparation of policies for various Particularly Vulnerable Tribal Group (PTGs) of Andaman &amp; Nicobar Islands, it may be recalled that while examining the question of reviewing the existing Jarawa Policy of 2004, the Committee advised the A &amp; N Administration to carry out the empirical study on Jarawa tribe.</p> <p>In the wake of the recommendation of the Expert Committee of Ministry of Tribal Affairs an empirical study on Jarawas has been undertaken by the A &amp; N Administration with the assistance of the Anthropological Experts, the Tribal Welfare Officers and Janjati Sevaks of Andaman Adim Janjati Vikas Samity (AAJVS). The topics identified were (i) Social Impact Assessment, (ii) Study of movement patterns and Calenderics, (iii) Identifying Jarawa Hot Spots &amp; (iv) Study of Jarawa Nutrition. In fact a workshop of the field officials of AAJVS and Group of Experts was conducted during October'2012 at Port Blair to identify the above topics.</p> <p>The Project study has been carried out by the Experts viz. Prof. Vishvajit Pandya, Shri Manish Chandi, Director (TW), Officers of AAJVS with thrust on ethnographic observation and anthropological understanding of the concerns relating to livelihood security of Jarawas, their social organization, forms of education and learning and health &amp; nutrition well being. The research team submitted its findings entitled "Jarawa movements in relation to time and space" to the Administration.</p> <p>The next phase of work in the Jarawa reserve territory will be carried out through the Hot Spots. The process of setting up of Hot Spots at the following places viz Bada Balu, Jhao Kona, Tirur and Potatang in South Andaman and Phooltala, Lewis Inlet and Bluff Island in Middle and North Andaman is being taken, and once the structure for Hot Spots at the respective places come up and become operational the second phase of work on the Jarawa study including empowerment will begin.</p>
