

tribal community. On the occasion of Republic Day I take this opportunity to once again request for an expeditious finalisation and notification of Andaman & Nicobar Islands (Tribal Councils) (Preparation of Electoral Rolls and Conduct of Elections) Rules. I suggest that this issue be monitored at a higher level in the Administration, so as to bring an early closure to this important long standing matter. Once the rules are notified, the Commission shall start its preparation for holding the elections to the Tribal Councils without further loss of time.

With best regards,

Yours sincerely,

(Ms. Bhupinder Prasad)
