Sir,

Thankfully we are to inform you that we have received your above mentioned letter with a copy of the Andaman & Nicobar Islands (Tribal Councils) Regulation, 2009. But we could not respond to it within prescribed time for which we are regretful.

After going through the regulation we had a meeting with all the village Captains. In the meeting the regulation was discussed in detail. Looking into the merits & demerits of the regulation we are in the opinion that the Andaman & Nicobar Islands (Tribal Council) Regulation 2009 need not be implemented for Katchal Island and the existing system of Governance should continue.

Thanking You
