The Tribal Council, Cor Niobor is apparently reluctant at this stage to the changes the proposed draft 'Electoral Rules' under the provisions of Tribal Council Regulation 2009 would bring in, and persist with the existing system, at least till such time the community comes to understand of the nitty gritty of the proposed Electoral Rules.

118

This position could be intimated to the Election Commissioner (U.T), if approved. Simultaneously, the Dy. Commissioner Niobor could be requested to draw up a programme in consultation with the Tribal Council, Cor Niobor for educating the population of the system of Electoral changes proposed in the Draft Electoral Rule in a given time frame.

Ho'ble LG may also be apprised of the position.
