

that the election of Tribal Council Members under the newly Draft Regulation Act which is somehow on par with the Panchayat Election. As you are aware that we have unique kind of set up in the whole Car Nicobar islands as close knit governance in all and 15 villages in Car Nicobar keeping in mind that we still live a joint family. Hence, election of five representatives of the people including one nominated Lady Representatives of each village in turn directly propose the name of Chairman, Vice Chairman, Dy Chairman and Secretary of the Tribal Councils, Car Nicobar. Since there is more need to highlight the rule and regulations of the newly formed Tribal Council Draft Regulations Act to the whole community and to deliberate upon it through grass root level. Hence, we convey our views that we will stick to the present situation i.e. Village Council, Island Council until all community are well informed about the said Regulation".

The matter got appraised to the Election Commissioner and pursuant to the said appraisal, the Election Commissioner has now urged to review this matter at the appropriate higher level as without Notification of the Rules of the aforesaid Regulation by the A&N Administration.

As advised by the Election Commissioner that the Administration would have initiate action for construction of Village General Bodies under Section 3, and also have to determine the areas of the said Village General Bodies under Section 6 of the Regulations, as was done at the time of the constitution of Panchayat, it is proposed that we may organize a workshop at Car Nicobar to educate the tribals about the impact of the implementation Regulation. The Assistant Commissioner (TW) may be deputed to Car Nicobar to organize such workshop with the help of District Administration and prepare a roadmap for construction of Village General Bodies under Section 3 in coordination with BDO, Car Nicobar and submit to the competent authority for decision.

Submitted please.
