Sub: Criminal wastage of public funds-reg.

Sir,

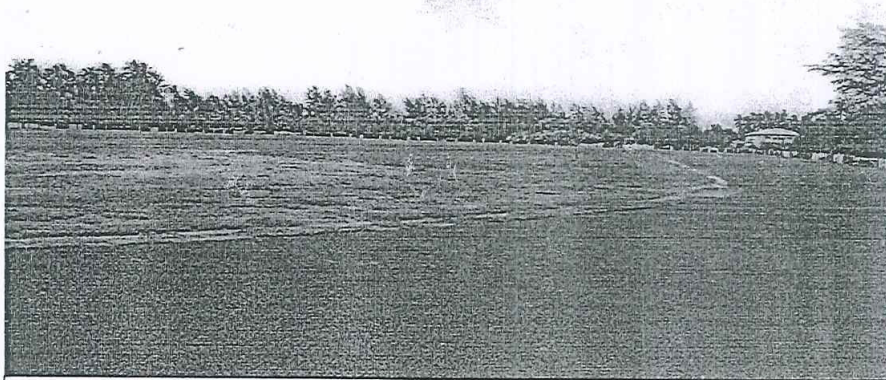

During my recent visit to Car Nicobar Islands I was appalled by the quantum of wastage of public funds. The APWD is engaged in construction of such buildings which don't have any demand as such whereas neglecting the genuine demands of local people like water & health. I am to cite few examples along with photographs attached.

1. Sports Complex at Big Lapathy

- APWD has laid a synthetic track costing Rs 6.00 crores which currently is lying in unattended state.
