

			they do accept the comments of MHA and no comments to offer in this regards.
	(vi) Uniformity in the definition and use of terms has not been maintained as many of them have been used differently in different places, for example, the term "Village Level Tribal Council" is defined in clause (ag) of section 2 but referred to in certain provisions as "Village Tribal Council", and in certain other provision as Village Council for the term Vice-Chief Captain, the Term Deputy Vice Chief Captain is also being used un the subsequent provisions so requires consistency and uniformity.	The comments of the Ministry have been taken on record and necessary corrections are being made by replacing Deputy Chief Captain by word Vice Chief Captain.	It is resolved by the Tribal Council in the presence of District Administration that they do accept the comments of MHA and no comments to offer in this regards.

Name :

1. Shri. ABERDEEN BLAIR
