OFFICE OF THE CHAIRMAN
TRIBAL COUNCIL
KATCHAL

Dated: 23-03-09 at Katchal

Ref No. HO/LTC/KL-09

Minutes of the meeting of Tribal Council Katchal held on 23rd March 2009 at
Japan Tikrey at 10 AM.

All the members were present-

After long discussion the members resolved to accept the provisions of the Draft Regulation of the Tribal Council, except the provision of the District Council. The provisions of the District Council should be deleted from the Regulation as we are in favour of two tier system of Local governance, that is the Village Council and the Island Council.

We request the Administration and the Govt. of India to take necessary steps for its implementation, as early as possible.
