

		<p>4 (x) As stated in comment 4(1)(b) the functions of the Island Council need not be repeated in the Third Schedule it should be possible to prescribe that the Island Council would exercise supervision and control of all the responsibilities and duties of the Village Councils including matters that have an inter-village context or when large projects or programmes needing special expertise for planning and execution are needed. It can also be stated that the Island Council till they gain confidence in getting the job done through contractors may get them done through line department. Reducing the Third Schedule will simplify the Regulation.</p>	<p>Our comments have already been given in 4(i)(b) as well as in (vii) above.</p>
