

118

(ii) The District Council may also make provision for carrying out within the area of the district any other work or measure which is likely to promote the health, safety, education, comfort, convenience or social or economic well being of the residents of the district.

164. (i) The District Council in respect of all roads, streets, bridges, culverts and other properties placed by the Administrator under sub-section(i) of section 169 under its direction, management and control may do all things necessary for the maintenance and repair thereof, and in particular, may

(a) widen, open, enlarge, or otherwise improve any such road, bridge or culvert and plant and preserve trees on the sides of such roads;

(b) deepen or otherwise improve any water-course and other property mentioned in clause (c) of the sub-section( i) of section 169; and

(c) cut any hedge or branch of any tree projecting on any such public road or street.

(ii) The District Council shall also have control of all roads, streets, waterways, bridges and culverts which are situated within its jurisdiction, not being private property or the property for the time being under the control of the government and may do all things necessary for the improvement, maintenance and repair thereof and in particular may

(a) layout and make new roads, and

(b) construct new bridges and culverts.

165. The Administrator may entrust to the District Council the execution, maintenance or repair of any work or the management of any institution on behalf of the Government or any local authority:

Provided that the funds necessary for the execution, maintenance or repair of the work or the management of such institution shall be placed at the disposal of the District Council by the Government or such local authority.

166. Every Contract or agreement entered into by a District Council shall be in writing and shall be signed by the Chief Councillor and by two other members of the District Council and sealed with the common seal of the District Council.

167. A fund to be called the Andaman and Nicobar Islands District Tribal Council fund hereinafter referred to as 'The District Tribal Council fund' shall be constituted for crediting the following moneys by or on behalf of the District Council and also for withdrawal of such moneys there from, namely:

- (i) the proceeds of any tax or fee imposed by or under section 170,
- (ii) the contributions made by the Government or any local authority or person;
