

(214)

(iii) The, amount of the Island Council Fund shall be applied subject to provisions and for the purposes of this Regulation and shall be kept in such custody as may be prescribed.

74.(i) The Island Council shall levy, collect, assess and appropriate the following taxes, duties, tolls, cess and fees in accordance with the procedure and subject to such limit as may be prescribed, namely:

- (a) toll on persons, vehicles or animals of any class of them or any tollbar established by it on any road other than a *kutchra* road or any bridge vested in it or under its management;
- (b) toll in respect of any ferry established by it or under its management;
- (c) fees on the registration of vehicle ;
- (d) a fee for providing sanitary arrangements at such places of worship or pilgrimage, fairs and melas within its jurisdiction;
- (e) a fee for licence for a fair or market;
- (f) a water rate, where arrangement for the supply of water for drinking irrigation or any other purpose is made by the Island . Council within its jurisdiction;
- (g) a lighting rate, where arrangement for lighting on public streets and places is made by the Island Council within its jurisdiction:

Provided that the Island Council shall not undertake registration of a vehicle or levy fee therefore and shall not provide sanitary arrangements at places of worship or pilgrimage, fairs and melas within its jurisdiction or levy fee there for if any such vehicle has already been registered by any other authority under any law for the time being in force or if such provision for sanitary arrangement has already been made by any local authority:

Provided further that the scales of tolls, fees or rates and the terms and conditions for the imposition thereof, shall be such as may be provided by byelaws; and such bye-laws may provide for exemption from all or any of the tolls, fees or rates in any class of cases.

75. The Administrator may, subject to such condition as he may deem fit, make grants to the Island Council for general purposes or for the improvement of areas falling under the jurisdiction of the Island Council, and the welfare of the residents therein.

76.(i) The Administrator may if he deems fit, place any of the properties, of the nature specified below and situated within the jurisdiction of the Island Council, under the direction, management and control of the Island Council, namely

- (a) open sites, vacant and grazing lands not being private property and river beds;
- (b) public, roads and streets;
- (c) public channels, watercourses, wells, ponds, tanks (except. irrigation tanks under the control of the Government), public springs, reservoirs, cisterns, aqueducts and any adjacent land (not being private property) appertaining to any public tank or pond; and lands appertaining thereto;
