

Since, the Department of Legal Affairs, Ministry of Law and Justice, is of the view that Chapter 7 regarding Village Judicial Council, Chapter 8 regarding Powers of Village Judicial Council and Chapter 9 relating to Procedure in Cases and Suits may need to be removed, the Administration has decided to get the feed back/views from the tribal leaders on this modification in the draft Tribal Council Regulation before the views of the Administration are sent to the Ministry.

Therefore, you are requested to kindly obtain the consent of the tribal leaders and send their view/comments to this office at the earliest.

Yours faithfully,

Encl: A/A

Assistant Commissioner (TW)
