

9

(From prepage)

9. Discussed with CS. CS is of the view that DC has to visit Parliament on various matters, like law and order, national calamities, etc. and therefore has suggested that permission may be given to DC (North's Middle Madam) to avoid emergency on the basis of emergency. On such occasions, he should be escorted by police party.

10. may be submitted to H/LA for approval/orders pl.
