

4. After the discharge of Home Guard volunteers working as drivers, there is shortage of drivers and at present 3 drivers are available. In-charge JPP has requested to post one more driver.
5. One Foot Pressure Pump along with its accessories may be provided at this JPP for filling up of air in Motorcycles.
6. In-charge has requested that the charges paid for repairing of punctures of motorcycles may be re-imbursed. SDPO was directed to do the needful.
7. The sign board of JPP needs to be re-painted.
8. One boat with 15 HP engine has been provided to this JPP for sea patrolling adjoining Jarawa Reserve Area. However, the speed of the boat is very slow. Therefore, the existing engine may be replaced with high power engine or the boat may be replaced. DySP(PMF) may look into the matter.
9. At present JPP Middle Strait is under jurisdiction of PS Baratang. Since the boundaries of South Andaman and North & Middle Andaman police district are being reorganised and PS Baratang will be the part of North & Middle Andaman. It is proposed that this JPP may also be brought under the jurisdiction of PS Bambooflat.

Both the In-charges of JPP Jirkatang and Middle Strait were directed to ensure that the staff being deployed for guard duty alongwith AAJVS Staff should not be allowed to carry any mobile phone with camera or video recording facility while on duty.

**Interaction with Incharge JPP Parlobjig No.3, JPP Parlobjig No.15 and staff**

Instruction boards are required to be installed at both the JPPs. HC/1482 Madhav Rao who is under transfer from PS Bambooflat has not yet reported at JPP Parlobjig No. 15. SDPO was directed to relieve him immediately. There is requirement of certain mess items at this JPP. In-charge QMS is directed to supply them at the earliest. SHO Kadamtala was directed to review the deployment of staff at the JPPs to ensure at least two police personnel are available for active duty at the JPP at any point of time.

It was brought to the notice of staff at various JPPs that process to construct the JPP building with pre-fabricated structure is already on and the work will start shortly.
