The note of the Law Department states that the only exception to the convoy system is given to Ambulance carrying serious referral patients to GB Pant Hospital from North & Middle Andaman District. However, as per the prevailing practice, Special Convoys along with police escort are also being allowed, after due verification, to facilitate the general public to visit their relatives in death cases and for transportation of dead bodies from Jirkatang to Middle Strait and vice versa. We may, if approved, seek clarification on this issue from the Law Department. In case the Law Department advises us not to allow Special Convoys on these grounds, then we will have to stop this practice and allow Special Convoys only for medical emergencies as mentioned in the aforesaid note. The proposed circular may be issued after obtaining this clarification.
