

Refer: Secretary (TW)'s minutes at para 90/n.

91.

It is submitted that the issue of special convoy outside the existing convoys allowed facilitating the general public to visit their relatives in death cases and transportation of dead bodies from either side was never examined by the Tribal Welfare department earlier. So no order/circular has been issued in this regard.

92.

However, on perusal of notes in para 83/n on page 23/n of IGP (L&O) it is observed that Special convoys outside the existing convoys allowed facilitating the general public to visit their relatives in death cases and transportation of dead bodies from either side is being allowed by the Police dept. If approved, we may request the Police department to confirm if there is any order/instruction in this regard.

These police has already said that - no such order exists. So we have to draft a note for approval for allowing only father, mother, brother & sister of deceased to visit cross over for either side on such occasion - put up as - pending.
