To
The Honorable Lieutenant Governor
A & N Islands
Camp at Mayabunder

Sub: An application for Buffer Zone and Convey System reg:

Respected Sir,
We are all aware that you are doing much good deed for the betterment of the Islanders and welfare of the people. For the same act we are very much obliged and grateful. Sir, in your recent two visit to North and Middle Andaman, the PRI members are happy and got an encourage to work for the welfare of the people,

1. Sir, on the behalf of Zilla Parishad Member, I would like to draw your kind information regarding some works. As you aware that some places of Andaman & Nicobar Islands are declared as a BUFFER ZONE. Being a native Islanders, we are facing lot of trouble due to this act. We are never trying to harm to the tribal people in the past as well as in the present time. The tourist who are proceeding from mainland for the purpose of tour. They are the main key to disturbed the tribal people to take a photocopy of the naked tribal people. The native people of this area are not responsible for declared Buffer Zone. We are always being faithful for the tribe people in the past as well as the future.

2 Sir, I would like to maintain another point regarding convey system. The passengers those who are traveling from Port Blair to Diglipur and Diglipur to Port Blair are facing lot of disturbance due to lack of convey system. The people are demanded to increase convey timing. Now it has four timing. Therefore, it is more difficult to get convey at a proper time. Sir if it is possible to increase two more timing then the passenger would be grateful to you.

3. Sir being a native Islander, if we are traveling from our place to Port Blair, we need to produce our Island Identity Card. It is one of the biggest hazards for the people because we are not crossing the International boundaries.

Therefore, I hope you will not disappoint us and take a necessary action as soon as possible.

Thanking You
Yours faithfully
