

Please refer Para 102-105/n, wherein request was made to ES, AAJVS to furnish the field assessment report in the matter of setting up of 02 Nos. Explosive Magazines of 5000 Kgs in the land bearing Sy No. 1/1 area 1.7 Hects, which is recorded in favour of K Khadeeja W/o VM Kunjamoo R/o Bambooflat, as sought by ADM, Port Blair.

The ES, AAJVS vide letter dated 1.4.2014 **(Flag-A)** provided the field assessment report of Dr Pronob Sircar, TWO, Tirrur which speaks as under: -

- 1) Since last many years Jarawas did not enter Alipur village, as per record of Jarawa movement maintained by them
- 2) The said area is out of the regular vicinity of the Jarawas
- 3) As on date, the Jarawa movement observed to be around Ferrargunj, Sonapahar area and the area between Manpur and Tirrur. Some times they demand to go Beachdera area for cutting of wood for making honey container
- 4) Looking to the present movement, the Jarawa movement is not around Alipur village.

However, the report of Tehsildar, Ferrargunj says the Jarawa tribes visit the proposed place mostly during summer season.

This Administration has re-notified Buffer Zone Notification on 17.1.2013 **(Flag-B)** under amended PAT Regulation, 2012 in which 34 revenue villages which were part of the Buffer Zone in 2007 Notification, are excluded from the purview of the Buffer Zone with the condition that no activity shall be allowed which may be prejudicial to the safety, security and interest of the Jarawas.

The village name Alipur of Ferrargunj Tehsil in which the above stated 02 Nos. Explosive Magazines of 5000 Kgs is to be set up is not included in the schedule of Buffer Zone Notification dated 17.1.2013.

On the basis of the above report only, the District Administration South Andaman District may consider the proposal regarding issue of license to M/s RDS Project Ltd, Port Blair for setting up of 02 Nos.
