

ladies and children who travel in the vehicles. There is also possibilities of road accidents as Jarawa tribes frequently pass through the roads in night hours and the Jarawas can commit robbery, theft or any other violent act from the vehicles in case of any breakdown etc. The vehicular convey during night hours may harm the flora and fauna.

In view of the above the timing of vehicular convey may not be extended upto 2030 hours and during emergency, the police is doing needful after verifying the facts.

Yours faithfully
