Sub:- Grievances and problems of Gram Panchayat Sundergarh, Baratang -reg.

Respected Sir,

On behalf of the general public and Gram Panchayat put forth the following grievances and problem for your kind consideration and favourable action please.

1. Increase of convey to pass through Zarawa area.

There was provision of convey from Jhirkatang to Middle Strait few year back was eight time to pass through Zarawas area. Now the said convey limited to only 4 time in a day which causes inconvenience to peoples to reach their destination up to Diglipur and basic food item are not reaching will in time. Therefore the convey again be allowed eight time in a day which is highly demanded.

2. Proceedure may be ease for seeking permission in an emergency to pass through Zarawa area during odd hours.

In am emergency like the relative of any person died either in Port Blair or upto Diglipur, previously the permission was obtaining from SP District to pass through the Zarawa area during odd hours. Now the said permission is liable to obtain from Secretary (Tribal Welfare) and DGP concern which is not easily possible to an individual. Hence in this matter some positive action is requested.

3. Acute Shortage of water in Baratang during Summer Season.

During Summer Season Baratang Islands in facing acute shortage of water 2 No of 5mtrs Dia of Ring well already sanction for construction But APWD has no interest to take up the matter.
