4. Allotement of land to the forest encroachers De-reserve of forest land for the purpose of allotment to forest encroacher.

The Forest deptt. has served notice to 465 families for eviction. The land of each families are under their possession since long back. Sir the revenue land is available at Survey No. 91 an area 5.30 hec. and also available at Sy. No. 133. The encroacher may be allotted land in the vacant revenue land as stated above. It is also brought to your knowledge that Administration notification dated 5th May, 2008 declaring de-reserve of forest land at Adazig village not come into force till date.

5. Construction of village road starting from ATR to Udaygarh village Baratang.

The road namely village road starting from ATR main to village Udaygarh has already been put in tender but even one and a half year lapses the said road has not yet been started. APWD of A&N Islands better known the fact.

6. Allotement of Quarry in Baratang Island.

The people of Baratang Islands are facing difficulties to get the stone product for building works. The transporting charges from Port Blair to Baratang cost double rate of stone products. Sir, a quarry may be allotted in Baratang Island so as ease the people is get the stone product.

7. Construction of two different road at Adazig village road to Vijaygarh (Bengali Basti) and road starting from ATR to Kharanallah.

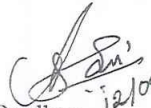

The Zilla Parishad has construct two different road at Adazig village to Vijaygarh (Bengali Basti) and road starting from ATR to Kharanallah which is Sub-standard. Even with in Six month the said road washed away and turned out in bad condition. The matter is requested to be enquired

8. Construction of bridge over Kharanallah, Baratang.

The APWD has delayed in construction of bridge over Kharanallah, soil test etc. has already been done. This matter is subjected in priority. May please be considered.

Thanking you

Yours faithfully
