**Sub:- Keeping of provision of litter box/ poly bags in the Private/Govt busses - reg**

Sir,

I am directed to inform you that good amount of plastic and eatable wastages are being found in the Jarawa Tribal Reserve, which is hazardous for the Jarawa tribes. It is due to the wastage thrown by the travelers using the Andaman Trunk Road passing through Jarawa Reserve Area. The matter has been seriously viewed by the Administration. As such, it has been decided that all Govt/ private busses shall keep the provisions of litter box in busses.

In this connection, it is requested that necessary provision of littering box/poly bags in the all Govt/Private busses must be kept, so that the travelers may refrain throwing plastics and eatable wastage while crossing Jarawa tribal reserve.

Yours faithfully
