

ANDAMAN & NICOBAR ADMINISTRATION
OFFICE OF THE DISTRICT MAGISTRATE
NORTH & MIDDLE ANDAMAN DISTRICT

NOTE

(1) This is to submit that being the Head of the District, I District Magistrate has to urgently proceed to Port Blair to attend various important meetings and other Official assignment. Sometime, I am being called telephonically to attend the meeting or to discuss any important issue related to this District from the Secretariat or Raj Niwas at very short notice of time. But, on several occasion, due to the convey system, I feel difficulty to reach Port Blair in time.

(2) Also, if I am at Port Blair for any official assignment and my presence is required in the District at any time then, it is not possible to come back on the same day.

Pertinently, District Magistrate of N&M Andaman cannot leave the station without the prior approval of Hon'ble LG or at least Chief Secretary. Therefore any of my movement has prior sanction from the highest level of the A&N Administration.

(3) Although, I like to move in convey only, but during administrative exigencies, the District Magistrate (N&MA) may kindly be allowed to move in off convey time between Middle Strait and Jirkatang.

(4) Submitted for kind approval please.
