Sir,

While returning from Kadamatala on 17.10.2007 alongwith Secretary (Tribal Affairs), Govt. of India it was noticed that 14 (fourteen) vehicles including lights vehicles, buses and heavy (goods) Vehicles (list enclosed) were standing at Middle Strait Jetty at 1555 hrs for departure for Port Blair. While some of the vehicles crossed from Baratang at 15.35 hrs, most of the light Vehicles of tourists and tourist buses were already parked at Middle Strait to carry tourist back to Port Blair.

As per the circular No. 1-836/2004-TW/274 dated 22<sup>nd</sup> June, 2007 the last convey of Passenger vehicles has to start from Middle Strait at 1500 hrs. Similarly the last convey of goods vehicles has to start from Middle Strait at 1530 hrs. Contrary to this all vehicles proceeded together in one convey after 1600 hrs. Secretary (Tribal Affairs), Govt. of India has taken a serious note of this violation.

It is, therefore, advised that convey system with adherence to the schedule may be strictly followed in the interests of the Primitive Tribe 'Jarawa'. The Tour Operators and the Driver / Conductor of tourist vehicles carrying tourists for Baratang which are parked at Middle
